“Freedom” Americana Sign

Supplies

- “Freedom” Wood cutout
- 4x20 Rectangle wood cutout
- Hazel & Ruby DIY Decor Tape “Americana”
- DecoColor Acrylic Pens in Red, Orange, Yellow, Green, Blue, Violet, Aubergine, White, & Black
- ModPodge
- Americana Decor Brown Antiquing Wax
- Glue
- 24-inch strand of satin rattail cord in one of the above colors

Directions

1. Apply the decor tape to the rectangle cutout
2. Protect/Secure the tape-covered rectangle with at least two coats of ModPodge.
3. Divide the “Freedom” cutout into seven equal sections. Since it is 14 inches long, you can make each section 2 inches wide.
4. Paint each section one of the sequential colors of the rainbow.
5. Go back to the rectangle when the ModPodge is dry and lightly apply the antiquing wax to various areas of the rectangle with a cloth or stipple brush. Wipe away excess to suit your taste.
6. Paint the side edges of the Freedom cutout in white.
7. Carefully use a black paint pen or Sharpie to add a dark outline to the Freedom cutout to help it pop a bit more.
8. Glue the word cutout onto the center of the rectangle. Let Dry.
9. Add satin rattail for hanging
